Jo Daviess County has seen a significant spike in COVID-19 positive cases in July. On July 1st, 45 cases were positive and as of today, Friday, July 24th, 92 cases have tested positive.

We would like to remind the public of the need for social distancing, wearing masks and following CDC and IDPH guidelines to slow down the rate of transmission.

If you test positive, please cooperate with the Jo Daviess County Health Department regarding contact tracing and self-isolation. We do not want to see the number of cases and hospitalizations increase and cause the State of Illinois to roll back the county or region to Phase 2 or 3. Remember the regional numbers are what determine the mitigation levels that the State of Illinois may impose. Jo Daviess County plays a role in that region and we are confident that the residents of and visitors to Jo Daviess County will do the right thing and cooperate with guidelines regarding COVID-19.

Thank you,

Scott Toot, County Board Chairman
Kirk VanOstrand, East Dubuque Mayor
Mike Dittmar, Village of Elizabeth President
Terry Renner, City of Galena Mayor
Donald Schaible, Village of Hanover Mayor
Jim Davis, Scales Mound President
Rodney Brandt, Village of Stockton President
Wayne Raisbeck, Village of Warren Mayor
