- In need of any new ideas? Dueling Pianos event could be added as an initiative.

#### **Old Business**

- Grant opportunity and potential new music/dueling pianos event – application finalized in April; waiting for Foundation’s feedback in May/June/July - still no response from the Foundation
- Yearly donation from Village of Stockton – ha been received
- Paypal/Venmo options for events and other Chamber related activities – tabled until next meeting

#### **New Business**

- Get quotes on new landmark sign (south side of town one that was stolen) – Peggy will be requesting updated pricing
- Tourism project ribbon cutting – potential date of July 29<sup>th</sup> – some of our chamber members stated they may be able to attend.
