TREASURER'S REPORT: Got Disbursements of $110,977.74. Mike finally sent the reports from May to August and we have not all had time to look them over so we will look them over and approve at the next meeting. Mike stated that we are stuck in a contract with Quickbooks now until June of 2027. He will generate the old reports so that he can get them moved over to the Account Edge Software program. Michelle Bartch made a motion to approve the August Report. Chambers seconded. Motion passed. May and June reports will be looked at and approved at the next meeting.
MUSEUM REPORT: Leslie sent the financial reports. Pauline Craig put on a bake sale at Willow Folk Festival and the Stockton Music and Arts Festival on Saturday in the park and it raised $950. Randy Stadel also donated $500 and they will be able to get a new computer. A train day will be put on September 19th. September 26th they will be holding another Brat Sale. He also noted that they will be having a program on Derinda put on by Richard Groezinger on the 27th of September. The Woodbine program will also be coming up. Leslie said we should look into how our insurance is worded and stated that if the building has depreciated, they may only give us a portion of the loss back. Adam Rhyner got the front painted and is going to try and figure out how to stop the A/C from shaking the building at the Copper Leaf as it is connected between the two buildings.
MANAGER'S/POOL REPORT: Jeremy printed the report. The pool is drained and needs new filters and some rebuilding on others. There are 2 sinks and 1 toilet to replace in the bath house. We are still working on permits done to do Bromine/Chlorine switch. Heads were leaking in the outdoor shower head. He plans on redoing the bathroom floors with epoxy. Jeremy and Rich can do it and the epoxy will cost around $500. Sally made a motion to paint and Bartch seconded. All approved at the estimated cost. Slide was replaced last week and Bunker wants to grind stumps for $750. Door for the park house: Calvin looked into the price and they have several colors to choose from. Sally and her husband have offered to donate the door. She would like to get a nicer one. They have a sale at Menards and can get the 11% rebate. The door will be around $500 and will need hardware. Jeremy will check locally to see if we can get a better price. Jeremy also got an estimate for concrete handicap paths which will lead to shelter and bathrooms. Some football lights are out and are under warranty. We will need a lift as we must install. We have an anonymous donor who would like to put in some handicap playground equipment. Discussed getting some estimates and ideas for where to put surface area and how to work around what we already have. They have a few handicap parks in Dubuque and Platteville if we would like to go look at them. We need to start getting some fundraising going and see if we can apply for grants.

AD HOC REPORT: They are doing a Memorial Day fundraiser in the park. Baseball Tournament, possible beer tent, bounce house. Friday through Sunday. Saturday would be the main day and they would like to have a band. They also have a tea party and super hero party planned for Oct 11th and November 1st. They will be doing this at the park house and limit it to 25 kids. Snacks, arts and crafts and outfits will be encouraged.
